

## ***Solar Power Installation Guidelines***

***If you are planning to install solar power in your home or business, it is important to follow the proper procedures and obtain the necessary permits. Wood County Inspections is responsible for issuing electrical permits for such installations. Depending on the scope of the work, you may need to obtain both an electrical permit and a building permit. For assistance with this process, please contact Wood County Inspections at (419) 354-9190 or visit their website.***

***To work as a contractor for solar power installations in the City of Wauseon, you must register with the City and provide proof of insurance. To register, please visit our website at [cityofwauseon.com](http://cityofwauseon.com) and navigate to the Zoning Department. Fill out the "Contractor Registration" form and submit it along with your proof of insurance to the provided email address.***

***For convenient payment options, you can make payments online through our website. Simply visit the "Online Payments" tab and follow the instructions. If you have any further questions or need assistance, please feel free to contact us at (419) 335-5041, extension 1035.***
